Charity background:

Nice 2b Nice is a Hull based charity providing financial support for children under the age of 16 and working as part of the Life for a Kid Foundation (Charity Registration 1136410)

Nice 2b Nice focus on four main areas of support; firstly it's financial support service which contributes to, or provides outright the specialist equipment needed for a child to lead a better quality of life; As a charity we also provide what we call 'Surprise Days', a day full of VIP treats for the terminally ill or those in desperate need of a smile. We also offer the opportunity of free respite and family time in our holiday home named 'Phoebe's Lodge' along with one-to-one animal therapy through our therapy dog, Lewis.

Since setting up the charity in 2014 it's Founder David Freer and Co-Founder Sarah Freer have helped over 250 children in the Hull & East-Riding area however due to its success rely heavily upon outside support.

Feedback from the Nice 2b Nice community:

“Thank you to everyone at Phoebe's Lodge we had a very chilled weekend and had time as a family and it was nice to not have to think about hospital and school, George must have been relaxed because he wasn't as ill as he normally would be so thank you for that chance” – Kelly Southwell

“Evie had an amazing weekend....not just made her smile but lots of belly laughs. An amazing place thank you” – Pam Foster

“Well Nice 2b Nice what can I say, Jacob has gone to bed with the most happy little face. You have granted him the one wish he wished for. God bless, i'm forever in your debt” – Joanne Howard

“A big massive thank you to the amazing Nice 2b Nice team on your help. If Isacc didn't get this amazing piece of equipment called the 'Upsee kit' I don't know where he would be now. Thanks to your amazing gift Isacc is now on his feet standing tall and taking his first steps” – Fran Ketley

“Just wanted to let you know what an amazing charity this is. The look on James face was truly priceless. As a parent having to watch your own child go through such horrendous treatment with many tears is soul destroying yet to see James forget all about his illness and just be a normal boy for the day is something that will stay with us forever.....thank you” – Tina Preston
